EXPERIENCE CERTIFICATE

Date

8 April 2025

To Whom It May Concern

This is to certify that **Abderrahmane Bensmat** has been employed with Hexashield Ltd. as a Full Stack Web Developer from **March 2023 until now.**

During his tenure with our organization, Abderrahmane was responsible for the following duties:

- Developing and maintaining scalable web applications using modern technologies.
- Designing and implementing RESTful APIs to support front-end functionality and third-party integrations.
- Integrating third-party services and APIs, including payment gateways.
- Ensuring application security and data protection by adhering to best practices in backend architecture and deployment.
- Managing all aspects of the full development lifecycle, including problem-solving, debugging, and performance optimization.
- Researching and implementing new technologies to continuously enhance application performance and user experience.
- Providing comprehensive documentation and detailed progress reports to ensure clarity and transparency in project outcomes.
- Troubleshooting and resolving technical issues to minimize downtime and improve user experience.

Sincerely,

Saurabh Motwani
Company Director
